New York Energy \$martSM
Commercial Lighting Program
Consent to Access and Publicize Agreement

The **New York Energy \$martSM** Commercial Lighting Program (“CLP” or “Program”) promotes effective, energy-efficient lighting solutions for commercial spaces. CLP provides lighting professionals with tools and resources to leverage the principals of effective, energy-efficient lighting design as a profitable business strategy.

I agree to give permission for Program Representatives to access my premises located at:

_____.

The purpose of this visit is to verify for evaluation purposes that the project meets Program guidelines and/or to gather information for publicity purposes and to take photographs for promotional purposes. I agree that Program Representatives shall have the right to use information concerning the installation and operation of the lighting system installed through the Program, including specifications, data and photographs, in the promotion and marketing of the Program and other NYSERDA programs. This includes permission to reproduce the photographs and to post photographs on the Program web site and to allow web site visitors to download and use reproductions of those photographs as they wish. I understand that the visit will be scheduled at a time convenient to me.

I understand that not all installations will be publicized.

I understand that NYSERDA does NOT make any warranty or representation of any kind regarding installation or implementation for any products or services associated with the aforementioned lighting installation, the results to be achieved by the installation, or its adequacy or safety. Reliance upon warranties is limited to any warranties that arise from, or are provided by installation contractors, vendors, manufacturers or sub-contractors.

I understand that neither NYSERDA nor its Program Representatives are responsible for assuring that the design, engineering and installation of lighting equipment are proper or comply with any particular laws (including patent laws), codes, or industry standards.

I release NYSERDA and its Program Representatives from all claims and liability relating to the lighting project or promotional activities.
