

**Existing Facilities Program
Program Opportunity Notice (PON) 1219
Revised December 1, 2008**

Summary of Revisions

The following change has been made to PON 1219, "Existing Facilities Program":

- Funding for National Fuel Gas small non-residential gas customers using less than 12,000 MCF per year, has been extended through November 30, 2009. Additionally, incentives are now included in the Pre-Qualified portion of the program.
- Funding for Con Edison gas customers has been extended through September 30, 2009.
- Other minor program clarifications have also been added.
